

Southeastern Fishes Council Suttkus Memorial Meeting Parking Information

For those driving to New Orleans or renting a car at the airport, there are two options for parking. The Astor Crowne Plaza offers convenient valet parking for \$31.60 per day (<http://www.astorneworleans.com/specials/valet-parking-package>). Access the valet at the front entrance of the hotel on Canal Street.

Premium Parking is offering SFC meeting and Suttkus Memorial participants a special parking rate of \$20 per day at two facilities on Iberville Street. The first site is a flat lot at 1001 Iberville (3 blocks from the hotel, see map below) that can accommodate large vans and trucks. The second site is a parking garage immediately behind the hotel (716 Iberville). Please prepay the lot/garage operator for your entire stay. You will be able to come and go as they please after this. Traffic flow along Iberville Street is one way in a river bound direction. So, the best way to access this street is from North Rampart Street. The hotel lobby can be accessed from Iberville St. via Dickie Brennen's Bourbon House Restaurant entrance.
